FAIRCHILD "71" TAXIING IN AFTER LANDING AT BASE

Editor's Note - Only a few short years after Charles Lindbergh's solo flight to Paris, Mr. Fredette worked as boy ground crew and general all around man for the seaplane service to the islands from New Bedford. This flourishing air service may surprise many readers because it was in the comparatively early days of aviation.

FLYING IN THE 30's

LOCAL AIRLINE - CIRCA 1932-36

By Carlton Fredette

There's nothing new under the sun. It's an old saying, but very true. And this little item will bear that out.

Would you believe that there was a scheduled seaplane service operating between New Bedford, the Cape and the Islands as far back as 1932? Well, there was, and this is how it came about.

Henry T. Olden of Fairhaven who is the dean of local airmen, in the course of making land plane charter flights to the Islands in 1930 and 1931, made the acquaintance of A.D. Chandler, a New York business executive and aviation enthusiast, who summered in Nantucket. They became friends, and often discussed the possibility of operating a scheduled seaplane airline on that route. Finally, in early 1932, the idea solidified, and plans were made to operate that summer. Mr. Chandler, with some of his associates, furnished the capital, and Henry Olden was appointed chief pilot.

Operating stations and docking facilities were established at Woods Hole, Vineyard Haven and Nantucket, with headquarters and base of operations in New Bedford. Each station was equipped with a teletype to furnish up-to-the minute passenger traffic information, and weather reports between the operating points. Five round trips daily were scheduled, with extra sections being added when heavier traf-traffic warranted it.

The New Bedford base was located that year on the New York Boat wharf, and in following years on Homer's Wharf, which made it very convenient for passengers arriving from, and departing for, New York by boat to make connections to and from the Islands.

Other pilots in addition to Henry Olden were Harold Moon of Pittsburgh, who was active in Springfield, Mass. aviation circles; Albert Graham, well-known mid-western airman; and Charles Trent of Rockland, Maine.

Olden, in more recent years, was a captain for Northeast Airlines, piloting a jet on the Boston to Miami run. Graham later became a hero when he saved several people from drowning after the airplane he was piloting crashed on take-off in Rockland, Maine harbor due to control failure.

Airplanes used in the course of operations were the Bellanca Pacemaker "300", similar in type to the airplane Clarence Chamberlain used in his non-stop flight to Ger-

many with Charles Levine, and also similar to the airplane used by Russell Boardman (brother of Earl Boardman of Mattapoisett) on his non-stop flight to Turkey with John Polando; the Travel Air "6000", similar in type to the airplane that won the Dole Air Race to Hawaii in 1927, and the Fairchild "71", similar in type to one of the airplanes used by Admiral Byrd in his Antarctic Expedition of 1929. All were sturdy cabin monoplanes, comfortably appointed and top in performance for their day.

They were attended by Thomas Scott of Rockland, Maine, mechanic, and George Pinto of New Bedford, mechanic's helper. Pinto in later years operated the Coonamessett Airport in Falmouth, and is now Chairman of the Board of Selectmen of that town.

The airline continued to run each summer until the late thirties when changing conditions finally brought about a termination of its operations.

It was known under the name of Island Airways, Inc. and later Island Airlines, Inc.

Council on Aging

MATTAPOISETT

We had to cancel the trip to Brewster Sea Land of Cape Cod, originally scheduled for Thursday, August 29th. This trip has been rescheduled for Saturday, October 14th, at 9:30 A.M. Those of you who had signed up for this trip have been so notified, but there is room for more on the Minibus, so additional reservations will be taken until the capacity is reached. There is an admission.

It has been called to our attention that many of the same Senior Citizens are regularly making most of the trips. That is their privilege as long as the bus or Minibus is not filled. We will try to give preference to those of you who have not made a recent trip, if you will call at or phone (758-3758) the Selectmen's Office, but not at the last minute. When necessary we have often duplicated trips so that as many as wanted to would have a chance to go. Even if you are told that a particular trip has been filled, please ask to have your name put on the waiting list, as that will give us a better idea of the number wishing to go on a particular trip. In some instances we may ask someone who goes on trips regularly to give up his (or her) seat to another Senior who only makes an occasional trip. If advisable, we may decide to repeat the trip, as we did several times, to Cuttyhunk Island and to Martha's Vineyard.

PHOTOGRAPH CONTEST

The Rochester Historical Society announces that it will sponsor a Photograph Contest as part of the "Rochester 300" celebration... the celebration of the 300th year since Rochester's founding. The subject of the photos entered in the contest will be "The Enduring Beauty of Rochester" and should be contemporary photos of people and places in the present town of Rochester.

There will be two categories: one for black and white photos and one for color, with a $100.00 first prize in each.

All photos become the property of the Rochester Historical Society, Inc.

For the present, entries may be left with any member of the society, or Mrs. James R. Gurney, Mrs. Donald Jenkins or Mrs. Richard Besse. A more convenient drop-off spot will be arranged.

The contest is underway and will last until August 15, 1979, with the judging and prize awards at the Labor Day Weekend events to be scheduled.

BLOOD DRIVE THIS TUESDAY

M.E.C.A. (Mattapoisett Emergency Communication Association) and the Lions Club are jointly sponsoring a Blood Drive to be held at the Mattapoisett Congregational Church on Tuesday, October 10th, from 3 to 8:30 P.M.

Every family in Mattapoisett is covered for all their blood needs. A phone call to Laura Horne, 758-3373, will answer any questions you may have and alleviate any problems about acquiring blood for any member of your family should a need arise. Our program has helped over 15 families and replaced approximately 100 pints of blood.

In order to keep this program functioning we need more donors. This is a painless, self-fulfilling way of passing on the gift of life.

Please call today for an appointment at 758-3373 and talk to your friends and neighbors about calling also. You are needed!

A Personal Thank You for Your Support...

To everyone in Marion, Mattapoisett and Rochester, I'd like to extend special thanks.

I appreciate your votes in the Democratic primary and the overwhelming support I received from all of you in the new towns of my district.

A very important part of a good representative's job is getting to know the people of his district personally, to understand each one's unique problems and needs. In the weeks before the General election, I'll make every effort to meet as many of you as possible.

Yet, I know many of you are very busy. To those who I won't be able to speak with in person, I will communicate through ads like these.

I want to get to know you personally. I've established a close rapport with many people in Fairhaven and Acushnet, a relationship where they feel comfortable calling me at any time with questions or complaints. That's the open kind of communication I hope to establish with you, too.

I'm looking forward to working with and for your towns in addition to the towns I've represented over the past 18 years.
